Summary

Visual artist with experience in production design, prop building, BTS photography, and SFX makeup for theatre and film. Skilled in supporting visual storytelling through hands-on design work, practical effects, and on-set documentation, with a collaborative and detail-driven approach.

Work Experience

SFX Makeup Artist

Suffer With Me - Short Film

- Created bruising to make an actor appear to have been strangled
- Created a prosthetic, and attached it to an actor's head to create an exposed-brain look
- Built and executed a device to create a blood pulsating effect after an on-screen stabbing

BTS Photographer

Suffer With Me & With Love, Maria - Short Films

- Captured high-quality behind-the-scenes stills documenting cast, crew, and production processes throughout filming
- Photographed key moments on set, including rehearsals, setups, and live takes, while remaining unobtrusive to production
- Documented production milestones for use in press kits, social media, EPKs, and archival purposes

Production Designer

How To Get The Girl - Short Film

- Designed and sourced props, set dressings, and visual elements to support story, character, and mood
- Built, modified, and dressed props and set pieces in collaboration with the director and art department
- Managed on-set adjustments, redressing, and resets as needed during production
